A GRAND ASSAULT.

Heavy Bombardment by the Japanese on Port Arthur Took Place on Friday.

BELIEVED TO BE STILL GOING ON.

Fighting Between the Two Big Armies Near Mukden is Expected to Be Renewed Soon.

The Temper of Belligerents Has Reached an Absolutely Merciless Stage, the Flag of the Red Cross Being Misused.

Mukden, Sept. 19.—The armies having recovered from the effects of the recent fighting before Liao Yang, an early development of the situation may be expected. A mysterious movement eastward is on foot on the part of the bands of Chinese suitable for military service. All the leading young Chinese who have aided the Russians are leaving Mukden.

Chee Foo, Sept. 19.—Local students of the military situation at Port Arthur, basing their deductions upon recent developments there, are of the opinion that another grand assault is either occurring at the present time, or is imminent. This opinion is based on the very heavy bombardment of the Russian stronghold that occurred on September 16, for such a bombardment forms the usual prelude to an assault; on the arrival here of important messengers from Port Arthur at a time when the running of the blockade is extremely perilous; on a recent authoritative statement that the Japanese siege works are completed, and on reports from Japanese sources that at Port Dalny an assault was expected to take place in a few days. These reports were received last week.

In addition to the foregoing there is the common knowledge that the Japanese realize that their continued inactivity increases the resisting power of the Russian garrison, and their consequent desire to make such period of inactivity as brief as possible.

According to Lieut. Prince Radzivil, of the Russian army, who reached here Sunday from Port Arthur, bearing dispatches from Lieut. Gen. Stoessel, the commander-in-chief of the forces of the Russian stronghold to Gen. Kuropatkin, the temper of the belligerents at Port Arthur has now reached an absolutely merciless stage.

It was set forth in these dispatches some weeks ago that serious suspicions were entertained by both belligerents that the other was misusing the Red Cross flag. These suspicions have been increased by the commission of various acts by the soldiers of both armies, until now even flags of truce or surrender are not respected by either side.

Prince Radzivil declares that the men of both armies are absolutely venomous in their antagonism. Lieut. Gen. Stoessel has addressed his garrison saying that the present mood of the Japanese indicates clearly the necessity of resisting them to the last drop of Russian blood, because if the Japanese soldiers entered the fortress it undoubtedly would be impossible for their officers to control them and prevent a massacre. For this reason Lieut. Gen. Stoessel is making no objection to civilians leaving Port Arthur. When the 300 women who are in Port Arthur engaged in hospital work were advised to leave, they replied that they would rather face the possibility of a massacre than desert their posts.

In consequence of the fact that flags of truce are ignored, numbers of Japanese dead, who have been lying on the slopes of the hills of the northeast defense for weeks past, are still unburied, and the stench in Port Arthur from decomposing bodies, when the wind is in the right direction, is almost unendurable. The Russian soldiers, who are in some cases posted only 50 paces from heaps of decaying dead, have constantly to wear over their noses handkerchiefs soaked in camphor, as otherwise they would be unable to remain at their posts.

ODD FELLOWS GATHERING.

The Sovereign Grand Lodge Meets at San Francisco Monday.

San Francisco, Sept. 19.—The sovereign grand lodge of Independent Order of Odd Fellows and auxiliary organizations convened Monday. From all quarters of the United States representatives of the fraternity are coming into the city, which is again in gala attire. Most of the decorations and illuminations used during the recent triennial convocation of the Knights Templar are again employed, with the exception that the emblems have been changed, the Maltese Cross having

given place to the Three Links. All of the officers of the sovereign grand lodge are present, except Deputy Grand Sir Wright, who is ill at his home in Allentown, Pa. The crack drill company of the order Canton Washington, No. 1, is doing some hard drilling in the hope to again carry off first honors. For the next meeting of the sovereign grand lodge New York and New Orleans have already made bids.

PRINCE BISMARCK DEAD.

He Was the Son of the Late Chancellor of Germany.

Friedrichshue, Sept. 19.—Prince Herbert Bismarck died peacefully at 10:15 o'clock Sunday morning.

Prince Bismarck was born in 1849, and was the oldest son of the late Prince Otto Bismarck, the great chancellor of the German empire. He studied law in the Berlin and Bonn universities, served in the Prussian army as a lieutenant of reserves during the Franco-German war of 1870-71, and was severely wounded at the battle of Mars-la-Tour. In 1873 Herbert became an official of the department of foreign affairs, and was assistant to his father, then chancellor. Later on the deceased became councillor of the German embassy in London, and subsequently occupied the same position at St. Petersburg. In 1884 he was appointed minister extraordinary at The Hague, and in 1885 he became under secretary of state in the department of foreign affairs. This post Herbert held until the dismissal of his father from the chancellorship, when he left the service of the empire. From 1884 to 1887 the deceased was a member of the German reichstag and also from 1893 until the time of his death. He was married in 1892 to Countess Margaret Hoyes, of the Hungarian nobility, and after the death of his father he inherited the title of prince. The deceased had only one sister, who is the wife of Count Von Rentzau. His brother William died in 1901. Prince Herbert leaves five children, two girls and three boys. The Countess Von Rentzau has no children.

AMERICAN WAR VESSELS.

A Number of Them Arrived at the Port of New York Sunday.

New York, Sept. 19.—The battleship Kearsarge, the flagship of Rr. Adm. Barker, commander-in-chief of the North Atlantic fleet and the Maine, the Alabama and the Missouri of the battleship squadron, North Atlantic fleet, arrived in port Sunday from the Mediterranean cruise by way of Menemsha Bight, and are anchored off Tompkinsville, Staten Island.

The cruiser Minneapolis, the flagship of Rr. Adm. Wise, commander-in-chief of the Atlantic training ship squadron, also arrived Sunday from Menemsha Bight, and is anchored off Tompkinsville.

These vessels will be joined in a day or two by the battleships Illinois, Iowa, Massachusetts and Texas, and the cruisers Columbia and Prairie, making one of the strongest aggregations of naval vessels that ever visited this port. The fleet is being assembled to do honors on behalf of the American navy at the launching of the battleship Connecticut at the Brooklyn navy yard next week.

On their way from target ground to this port the four battleships under Adm. Barker engaged in a spirited four-hour race, in which the Missouri came out winner by some 900 yards. The occasion was the semi-annual full power trial prescribed by naval regulations. The speed they attained during the test was about 16½ knots.

SPANISH IMPOSTORS.

State Department Investigating a Scheme to Obtain Money.

Washington, Sept. 19.—Pending an investigation of the case, state department officials are disposed to treat as a fraudulent scheme to obtain money, the information which press reports from Pasadena, Cal., state has come to a relative of Congressman McLachlan, of California, of the reported death of Louis Blaisdell in a Spanish hospital, and the detention of his 14-year-old daughter in a convent at Aranjuez. According to the views of the department officials, the report bears the earmarks of a gang of impostors who have operated at various places in Spain for a long time, and who have obtained sums of money from foreigners who have believed the representations made to them. The customary practice of these impostors is to report that a parent has died leaving a confession with a priest and a young daughter in his charge, and the information is conveyed that a certain amount of money is required to obtain access to, or data concerning the location of a fortune which the decedent is alleged to have left to a supposed relative in a foreign country. The story is an old one to the department.

RESULT OF A DANCE

One Man Was Killed and a Woman With a Broken Back Will Die.

Dynamite Was Placed Under the House and the Structure Was Blown to Smithereens.

Two Men Were Placed Under Arrest and Jailed on the Charge of Murder—Tragedy the Result of Jealousy.

Martinsburg, W. Va., Sept. 19.—As the result of the jealousy of a rival lover, John Harris, a well known Negro, is dead; Jennie Smith, of Pittsburg, has a broken back and will die, and Julia White is so severely cut that she may not recover; a house on east Race street, back of the Baltimore & Ohio railroad shops is blown up, and Ernest Hollins and John Thompson are in jail, charged with murder, the result of a Saturday night dance at the home of Julia White.

Hollins and Harris were rivals for the hand of the Smith woman. Saturday night it was intended to hold a dance at Julia White's, and John Harris took the Smith woman to the house shortly before 1 o'clock Sunday morning. Hollins, who was heard to remark earlier in the evening that he would not stay in the house over night, is supposed to have gone with Thompson, a friend, and stolen the dynamite, placed it under the house and put it off. For squares around the houses were shaken, windows broken and the house itself so badly torn up that it will have to be destroyed. There is intense excitement among the Negroes, but no trouble is anticipated.

They Were Going at Full Speed in Answer to a Riot Call.

Chicago, Sept. 19.—While driving at full speed in answer to a stockyards riot call, a patrol wagon filled with policemen from the stockyards station was struck and demolished by a Party-seventh street electric car Sunday afternoon at Wallace and Forty-seventh streets. Four policemen were severely injured. The injured: Thomas W. Haskin, driver of patrol wagon, left arm broken and left shoulder dislocated; Patrick Hugent, patrolman, right hand and shoulder injured; Geo. T. Prim, lieutenant, jaw and left wrist broken; John Weltzel, patrolman, head injured.

A GAME OF CARDS.

It Resulted in Murder in a Pennsylvania Mining Town.

Monongahela, Pa., Sept. 19.—A game of cards resulted in murder Saturday at Hazelkirk, a mining town, but was not reported to the police until Sunday. When George Nazok won \$3 from George Kopko, the latter accused the other of cheating. Nazok made an angry reply and left the room. Kopko followed and fired three shots, killing Nazok almost instantly. The murderer escaped. Nazok's wife and child are on the ocean expecting to meet the murdered man here next week.

The Negro Shot and Fatally Wounded a White Man.

Royston, Ga., Sept. 19.—Geo. Ware, a Negro, was lynched in Franklin county Sunday for fatally shooting C. Y. Daniel, a son of George Daniel, of Carnesville, Sunday. Young Daniel and the Negro had some words over a trivial matter. Ware was taken from the sheriff by a mob.

CALLAHAN AND FRENCH.

The Men Acquitted of Charge of Subordination of Perjury.

Mt. Sterling Ky., Sept. 19.—Sheriff Ed Callahan and Judge B. F. French were Sunday acquitted of the charge of subordination of perjury. The jury was given the case Saturday night, and after several hours' deliberation, reported that they were unable to agree, and asked to be discharged. Judge Young refused to dismiss them, and the verdict was reached Sunday afternoon. The defendants were indicted on the charge of subordination of perjury in an effort to acquit Curt Jett and Tom White for the assassination of J. B. Marcum, in the Breathitt county court house last year.

A suit for \$100,000 damages is pending against them, and Judge James Hargis and Alex Hargis are now in Winchester, where the case is to come up for trial. The plaintiff is the widow of the late J. B. Marcum.

FRUSTRATED BY AN ACCIDENT.

Attempt to Break the World's 24-Hour Automobile Record.

Louisville, Ky., Sept. 19.—The attempt of Louis P. Doerhoefer, a rich resident of Louisville, to break the world's 24-hour automobile record of 861 miles, was frustrated by an accident which wrecked the machine and resulted in the injury of his assistant, Frank Katz, an expert automobilist. Blinded by dust, Katz steered wide at one of the turns of the Douglas park trotting track, and went through two fences at 3:50 o'clock Sunday morning. Katz will recover, unless internal complications should result. None of his bones were broken. At the time of the accident Mr. Doerhoefer had gone 350 miles in 10 hours and 50 minutes.

MAY BE LYNCHED.

He Killed the Boy Who Served the White Men First.

Owingsville, Ky., Sept. 19.—News reached here Sunday that in Lawrence county a 12-year-old boy, named Johnson, who was employed to carry water for some railway workmen, has been killed by an unknown Negro. The Negro asked the boy for a drink, but the boy served some white men first. LABOR SITUATION.

In the First Quarter of the Year, in a Few Industries, Employment Was Poor.

WAS MUCH IMPROVEMENT LATER.

Twenty of the 43 Disputes Resulted in Favor of the Employers and Five in Favor of Employees.

Nine Were Compromised, and Nearly All Made Upon Demand for Increased Wages, Which Was the Leading Cause.

Albany, N. Y., Sept. 19.—The quarterly bulletin of the state department of labor issued Sunday has this to say as to the situation in state and nation.

In the first quarter of the year, owing to labor disputes, unusually cold and stormy weather and lessened activity in a few industries, employment was very poor; but subsequently there was so much improvement that June and July actually surpassed the record year 1902. Among approximately 100,000 wage earners in the various industries of the state, 157 per 1,000 were earners in the various industries of the state, 137 per 1,000 were reported idle at the end of June, 1901, as compared with 231 and 145 in June, 1903, and 1902, respectively; for the close of July in 1902, 1903 and 1904, the respective ratios were 156, 178 and 148. The principal cause of this improvement was the phenomenal activity in construction work in the leading cities.

Conditions of employment in the entire country manifest similar improvement, according to the late statistics collected by the American Federation of Labor. In the September issue of the American Federationist the official magazine of the federation, it is stated that among 85,450 members of the 1,032 local unions making returns for July, 1.6 per cent. were without employment at the close of the month, while a month earlier the 1,891 unions making returns reported 5.1 per cent. of the membership as unemployed, and in July, 1903, the percentage of unemployed was 3.3.

Referring to strikes, the bulletin said that the two overshadowing disputes for the second quarter of this year were the masters and pilots on the Great Lakes and the New York Clothing Trades strike against the "open shop". It adds:

"In the labor disputes about 25,000 employees were directly concerned, and probably as many more thrown out of employment from some part of the period of the dispute, the total number of working days lost being estimated at more than one million. About one-half a million days' time was lost by the 1,000 masters and pilots and the 10,000 other marine workmen from New York state affected by the former's dispute with the Lake Carriers' association. The total number of workers directly concerned in disputes begun in April, May and June was 39,500, and the aggregate number of work days lost was 1,923,000. Twenty of the 43 disputes resulted in favor of the employers and only five in favor of the employees, while nine were compromised. The compromises were nearly all made upon demands for increased wages which was still the leading cause of disputes. The employers were almost uniformly successful in the disputes involving trade unionism."

EVENING BULLETIN. DAILY, EXCEPT SUNDAY. ROSSER & MCCARTHY, Proprietors. MONDAY, SEPTEMBER 19, 1904.

Weather Forecast.
 For Kentucky, fair to-night and Tuesday.

The Dover Messenger says the Republican nominee for Congress in this district is the *strongest* candidate the party could put up. Pugh!

One would almost suspect B other Curran of being a Federal office-holder, basing their suspicions on the size of bouquet the Messenger flings at Judge Pugh in its last issue.

It is easy to explain why the office-holders, without a single exception, were all for Pugh. In the event of Teddy's success and Sammy's defeat the latter will be Referee in the district, and the boys all want to get in the band wagon. Oh, no, the Federal crowd aren't on to their jobs!

The experiment of rural free delivery was begun under a Democratic administration and upon Democratic initiative, says the Lexington Democrat. This, however, does not prevent the Republicans from making an assessment upon the federal employees, including rural mail men.

In his write-up of the convention held there last week, Editor Allen of the Cynthiana Democrat shows the pencil-pushers up in their true light. He says: "Mr. Littlejohn, a newspaper man of Carter County, was made Temporary Secretary, but, being a newspaper man, he did not swell up over the good times because by the time newspaper men begin to feel their effect good times are over."

KEHOE WILL WIN

By the Largest Majority Ever Given a Candidate in the Ninth Congressional District,

So Declare a Number of Delegates to the Republican Convention Held at Cynthiana Thursday Which Nominated Mr. Pugh.

[Cynthiana Democrat.]

"The Democrats carried this district by 2,500 votes the last time; if you want them to carry it by 3,000 this year, nominate Samuel J. Pugh!"

So exclaimed delegate Rose, of Rowan County, in seconding the nomination of Judge J. B. Bennett for Congress in the Ninth District Republican Convention at Cynthiana Thursday afternoon.

The silence was dense enough to slice at this frank avowal on the part of Mr. Rose. Republican delegates looked shame-facedly at each other, while Democrats who were on hand as spectators enjoyed the fun immensely.

Mr. Cochran, of Maysville, who placed Judge Bennett's name before the convention was not particularly comforting in his parts of speech, either. He avowed that Judge Bennett should have been nominated two years ago, but by a narrow and unfortunate margin lost out. "You saw the result," said Mr. Cochran, "2,500 majority for the Democrats." His gentle insinuation that Mr. Pugh is getting a trifle stale evoked great applause in some quarters and deep distress in others.

Mr. Allen Cole, of Maysville, who was a Democrat when his father appointed him Commissioner of Mason County, combatted Mr. Cochran's idea that Mason County was for Bennett, and proceeded with grace and energy to apostrophize Mr. Pugh. Mr. Cole was as

dramatic as he was graceful. For some unaccountable reason, not warranted by anything that had been said or done, he requested the delegates to remember Caleb Powers. Nobody seemed to make any especial effort to remember Powers, and the subject was dropped. The delegates, suspecting another passing of the hat, however, were glancing around uneasily for the fire escapes.

Mr. Rose, of Rowan, in seconding the nomination of Judge Bennett, declared that the nomination of Judge Pugh meant the trailing of the Republican flag in the time-honored d-u-s-t and a majority of 3,000 for Congressman Kehoe. Mr. Rose said Pugh was the worst man in the district to be nominated for the office, and that it would never do in the world, so there!

When the convention adjourned the Bennett men were as sore as boils. A number of them declared that the office-holders dominated the convention and forced Pugh on the party.

"Why," said Cole of Boyd County, "although Boyd is normally six hundred Republican, Pugh could not carry it this year if a Presidential election was not on."

The same sentiment prevails in all quarters, and the indications are that Congressman Kehoe will win by the largest majority yet given.

TIMELY RESCUE.

Congressman Kehoe's Bright Little Daughter Mary Saved From a Horrible Death by Dr. W. H. Taulbee.

Mary, the sweet little five-year-old daughter of Congressman and Mrs. J. N. Kehoe, escaped a horrible death by the merest margin Saturday.

She had been to a neighbor's across the way and returning, was just about to cross the street railway track, as she has done hundreds of times before, when a car approached rapidly going east.

The child seemed oblivious to her danger and the motorman happened to be not looking ahead. A scream from an eyewitness was the first intimation he had that anything was wrong, and when he finally observed the little tot to the car was almost upon her, and in another moment her life would have been crushed out beneath the wheels.

Fortunately Dr. W. H. Taulbee happened to be near, and it was owing to his quick action that her life was spared. He was horrified to see the little one waver, undecided whether to proceed or turn back, so he made a rush and snatched her from the very jaws of death.

So close was the call that the clothing of the child and her deliverer was brushed by the car as it sped by.

In justice to the motorman it would be well to state that he tried desperately to stop when he saw the danger, but it would have been too late but for the Doctor's timely rescue.

The lady who gave the warning cry was so overcome by excitement that she was in a state of collapse for an hour or more after it was all over.

DEMOCRATIC PRIMARY

To Be Held Saturday, November Twenty-Sixth to Nominate Candidates For County Offices.

Pursuant to a call of the Chairman, the Democratic Executive Committee met in the parlors of the Central Hotel Saturday to set a date for a Democratic primary to select candidates for county and district offices. The committee was represented in full, either in person or by proxy.

In the absence of Chairman Roberson Gordon Sulser was elected presiding officer and M. J. McCarthy, Secretary.

Dr. John A. Reed notified the committee that he had moved from the second to the third precinct. As the committee will reorganize next December no action in the matter was thought necessary.

Geo. C. Keith resigned as member from Precinct No. 7.

On motion of John C. Everett the following resolutions were unanimously adopted:

Be it Resolved by the Democratic Executive Committee of Mason County, in meeting assembled:

First—That a primary election be held in Mason County on Saturday, November 26, 1904, between the hours of 6 a. m. and 4 p. m., as required by law, for the purpose of nominating candidates for the following offices, viz: Member of General Assembly, County Judge, County Clerk, Sheriff, Jailor, County Attorney, Superintendent of Schools, Assessor, Coroner and Surveyor and a Justice of the Peace and Constable in each Magisterial district.

Second—That the officers for said primary election shall be selected by the committeemen, each committeeman to select the election officers for the precinct represented by him, and report his selection to the Chairman not later than ten (10) days before the date of the primary election, and should any committeeman fail to so report by the time required, then the Chairman is authorized and empowered to complete the list of election officers, and the Secretary is directed to notify said election officers in writing, immediately upon their appointment.

Third—The Chairman is directed to prepare the ballots for said primary election and to place the names of the candidates upon the ballots in alphabetical order for such offices as have more than one candidate.

Fourth—That the name of Gordon Sulser, Secretary, is directed to be placed across the ballots in the same place and manner as is done by the County Clerk in regular elections.

Fifth—That the proper election officers are directed to return the ballot-boxes, containing the voted ballots, together with stubs, etc., to the office of C. L. Wood, County Clerk, within the time and in the manner prescribed by law, for the purpose of being canvassed by the Returning Board of the committee.

Sixth—That the following members of the committee, three (3) in number,—Jas. R. Roberson, Chairman, ex-officio, M. J. McCarthy, Chas. T. Calvert and Jas. Owens shall constitute the Returning Board of the committee, and canvass the returns of said primary election, and issue certificates to the successful candidates in same. Said Returning Board to be a Board of Contest in the event of a contest. A majority of said board are to decide all cases.

Seventh—In the event a defeated candidate desires to contest the election of his opponent, he shall serve written notice on such contestee not later than ten (10) days after the certificate of election has been issued to such contestee.

Eighth—Each candidate who desires to have his name placed upon the ballots shall deposit with Jas. R. Roberson, Chairman, at his office, not later than fifteen (15) days before the date of said primary election, the following amounts:

Each candidate for Sheriff.....	\$50 00

The amount realized therefrom to be used in defraying the expenses of the said primary election, and the balance left, if any, to be pro-rated back to the candidates at said election. The Chairman is authorized and empowered to defray all expenses which may arise incident to said primary election, and to pro-rate and return to the candidates any funds which may be left in his hands after all such expenses have been defrayed.

Ninth—That all known Democrats who will be legally qualified voters at the November election, 1905, shall be allowed to participate in the said primary election.

HARD TO EXPLAIN.

If This Had Occurred Anywhere Else Than Maysville Our Readers Might Doubt It.

It's hard to explain how the public can continue to doubt in the face of such evidence. If this were published anywhere else than in Maysville, if the statement given below went the rounds of the press, readers in Boston or New Orleans might doubt it. But it's very different when the testimony given comes from a friend, perhaps a neighbor. It is public expression of a local citizen and can be easily investigated.

Mr. Larnon Dawson, residing at 934 East Second street, says: "The quick relief from pain in my back, which followed the use of Doan's Kidney Pills proved them to possess remarkable healing powers. From the satisfactory results obtained I can advise all in need of a kidney medicine to give Doan's Kidney Pills a trial."
